Kilns Picnic

On Sunday 21st August we were welcomed to The Kilns by Jean Hibberd for our traditional Picnic. The sun shone and we all enjoyed a lovely day, Apart from chatting, admiring the view, eating and drinking we could wander in the garden, walk over the bridge to see the fallen tree and play croquet. Jean was presented with a garden mobile and a willow heart ornament as appreciation for the many times she and Dick had shared their waterside idyll with our group. Thank you to everyone who made it such a lovely day.

Thanks to Sue for the report and photos which are on a separate page..

Rural Life Centre

Our September get together saw twelve of us visit the Rural Life Centre between Farnham and Tilford. The extra attraction was a visit by some rather charming donkeys. There was also a dog competition, a display by the Farnham Bee keepers, a Farrier making horseshoes in the traditional way and an authority on the history of local hop growing. It is a lovely place to wander round and remember “how things used to be,” especially as the sun was shining and we could stop for leisurely refreshment. A group of us sat outside the former Cricket Pavilion, it was much more interesting watching people and donkeys rather than cricket!

This group definitely look as if they are enjoying the cricket

Thanks again to Sue for the report and Tony for the photo's

On Nov 20th will be our annual Mince Pie Walk organised by Mary and Kevin Jones. This will be at Alice Holt/Rowledge. Details will be sent out nearer the time.

We hope you have enjoyed this year's events, and if you can think of anything for next year we would like to hear from you and again we look forward to meeting our new members.

Best Wishes
Sylvia.
